## Summary

As a Bachelor of Computer Applications (BCA) student with a keen interest in Database Management Systems (DBMS), Artificial Intelligence (AI), and web development. Passionate about exploring the intersection of technology and innovation, I'm dedicated to mastering programming languages, data structures, and software development. Eager to contribute to cutting-edge projects, I actively seek opportunities to expand my skills through internships and hands-on experiences. Committed to collaborating with forward-thinking professionals, I aspire to make meaningful contributions in the realms of DBMS, AI, and web development.
